

GHA 2025

Social Media Guidelines

The background of the slide features several overlapping, curved bands of light blue and white, creating a sense of motion and depth.

Congratulations

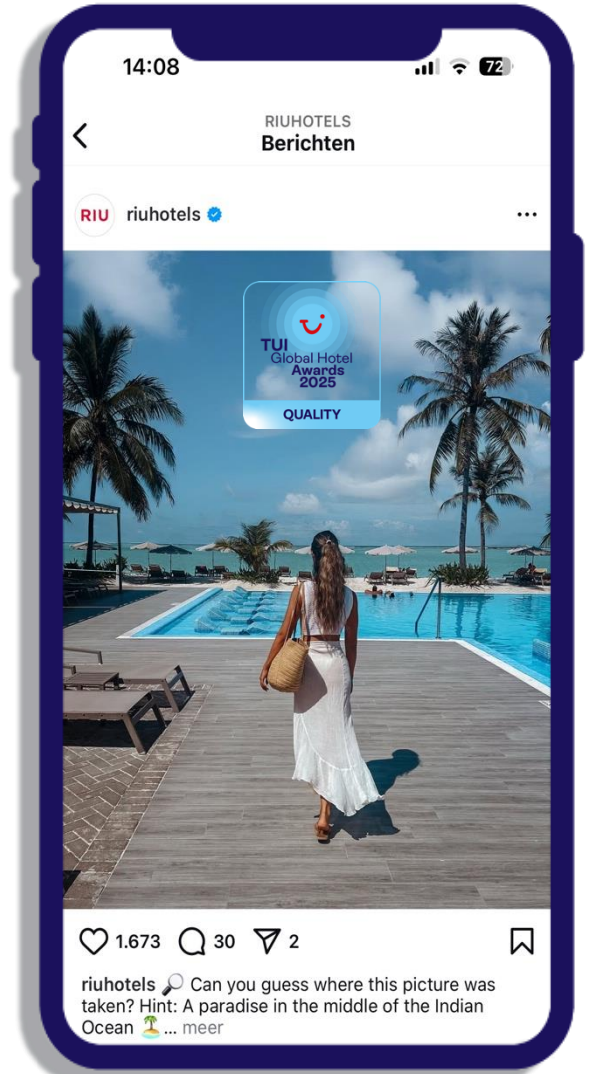

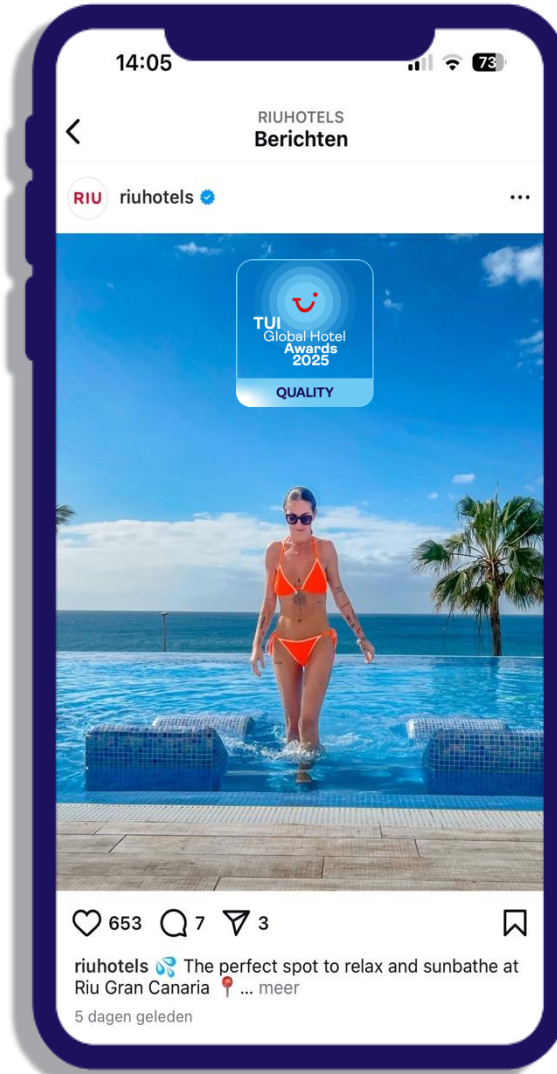

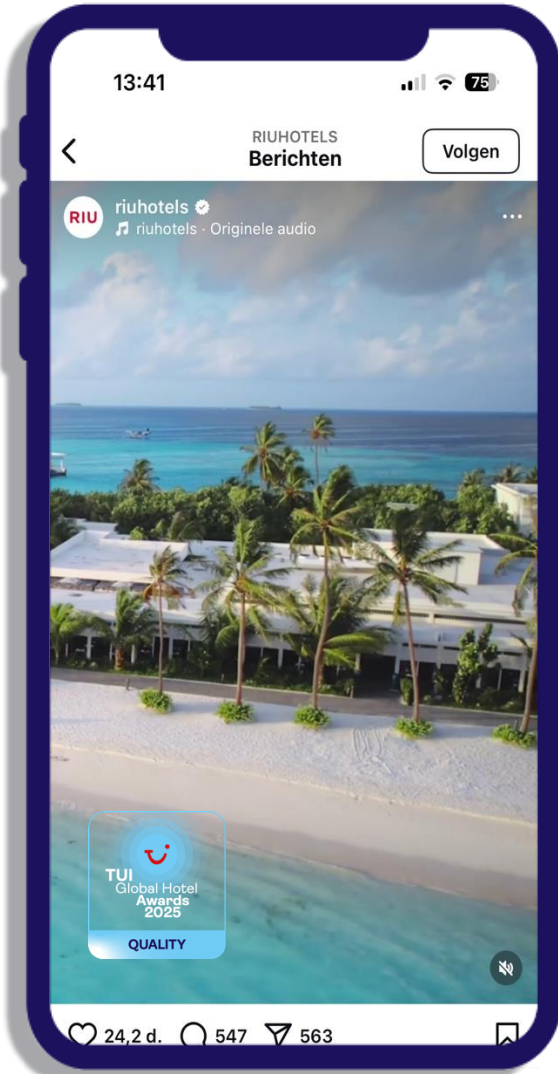

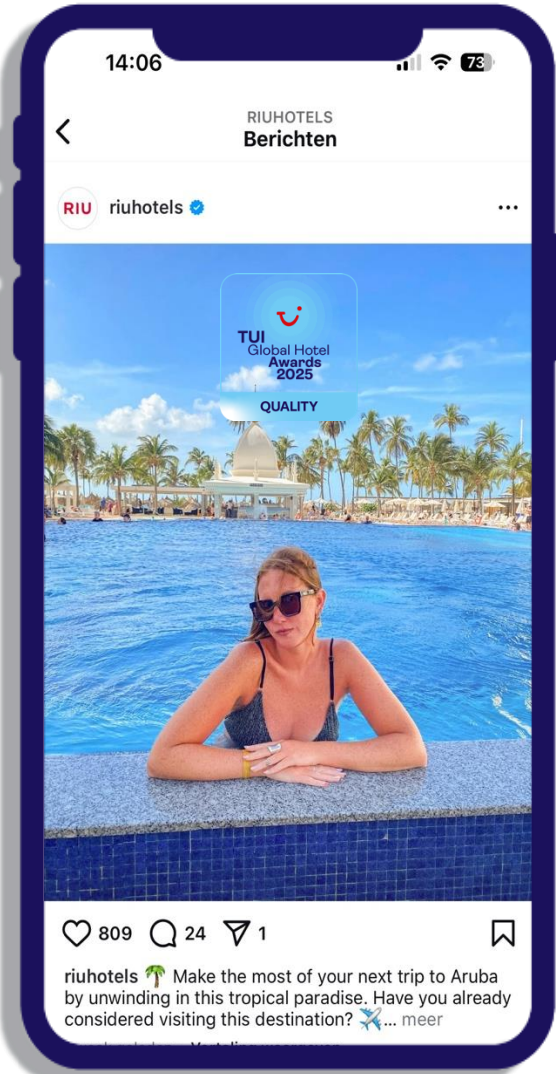

on being a Quality winner!

Do's

How to use the badge:

- Kindly ensure that the badge size is approximately 25% of the image's width.
- Please select an appropriate badge colour that complements the image's background.
- Ideally, position the badge at the centre top of the image. If this is not feasible, place the badge in the bottom left or right corner.

Dont's

And how NOT

- Please ensure the badge is not bigger or smaller than 25% of the image's width
- Kindly avoid placing a blue badge on a dark background or a white badge on a light background.
- For consistency, position the badge only in the preferred location.
- Please do not rotate the badge on the image
- Refrain from applying any effects to the badge
